Product Data Sheet | Product Code: BUFF-599 | Date: 3/11/2022

Introducing Buff.

Buff is a heavy-duty degreaser used to clean floors, walls, and other surfaces. This alkaline based, and extremely concentrated solution, has been created by Cleaner Future to tackle grease, oil and stubborn floor and wall stains — without leaving any residue behind.
Leave it to Buff to do the heavy lifting for you.

Key Benefits

- Australian Made
- Highly concentrated
- High Alkaline and caustic free
- 100% Biodegradable
- Suitable as a multipurpose degreaser
- Excellent on mineral oil and grime

Sustainability

Cleaner Future aims to construct formulations that efficiently solubilise and disperse fats, oils and dirt, thereby minimising the amount of cleaning product required to achieve a complete clean. This lightens our load on our sewer system and increases the rate and degree of biodegradation. We endeavour to use plant-based surfactants that originate from cropping. Where possible, we replace petrochemical solvents with plant-based oil seeds.

ECO SEPTIC SAFE

BIO-DEGRADABLE

Directions For Use

Very light cleaning: Dilute 1:200
For ovens, rangehoods, vents and extremely heavy soiled areas- dilute 1:4 in a cleaner future spray bottle (1LT = 250ml Buff solution)
For QSR using hand pump – 30mls (one pump) light cleaning, 60mls (two pumps) medium cleaning, 90ml (three pumps) heavy cleaning
Increase Buff concentration if heavy degreasing is required.
