Hybrid.

Product Data Sheet | Product Code: HBMP | Date: 3/11/2022

Introducing Hybrid.

Hybrid is a strong multifaceted cleaner and sanitiser. Built to remove tough grease and grime found on countertops, walls, floors, and other food service surfaces.
This effective multipurpose cleaner contains natural orange oil to enhance its cleaning abilities whilst leaving a subtle smell. Perfect for front of house areas and amenities.

Key Benefits

- Easy rinse formulation
- Highly concentrated
- Safe for use on most surfaces
- Australian Made and owned
- Biodegradable
- Easy and safe for staff

Sustainability

Cleaner Future aims to construct formulations that efficiently solubilise and disperse fats, oils and dirt, thereby minimising the amount of cleaning product required to achieve a complete clean. This lightens our load on our sewer system and increases the rate and degree of biodegradation. We endeavour to use plant-based surfactants that originate from cropping. Where possible, we replace petrochemical solvents with plant-based oil seeds.

ECO SEPTIC SAFE

BIO-DEGRADABLE

Directions of Use

For best results use in conjunction with Cleaner Futures auto dosing program. Use spray bottle provided, make sure it is clearly labelled ‘Hybrid’. Fill bottle with Hybrid solution from dispensing and mixing station. Spray solution onto surface required for cleaning/disinfecting/sanitising/shining/deodorising. Agitate and wipe off with a clean microfibre, cloth or rag. To top it off, the space will be left smelling fresh and clean with the natural orange oil fragrance.
For RTU (Ready to use formula) simply pour from container into bottle provided and follow same usage instructions
