Shimmer

Product Data Sheet | Product Code: | Date: 3/11/2022

Introducing Shimmer.

Shimmer is a non-hazardous cleanser used to disinfect and deodorise toilets and urinals. The solution is thicker and milder than most ordinary cleaners and has been created by Cleaner Future to do the best on the porcelain, stainless steel, and surrounding areas. So, let Shimmer do exactly that.

Key Benefits

- Australian Made
- Kills bacteria
- Removes unpleasant odours in bathrooms
- Cleans toilets, urinals, tiles & basins
- Thick formula which clings to vertical surfaces
- Leaves a pleasant fragrance

Sustainability

Cleaner Future aims to construct formulations that efficiently solubilize and disperse fats, oils and dirt, thereby minimizing the amount of cleaning product required to achieve a complete clean. This lightens our load on our sewer system and increases the rate and degree of biodegradation. We endeavour to use plant-based surfactants that originate from cropping. Where possible, we replace petrochemical solvents with plant-based oil seeds.

ECO SEPTIC SAFE

BIO-DEGRADABLE

Directions of Use

Apply undiluted to all areas and scrub with brush. Allow five minutes then flush. Regular use will ensure hygienic and odour free conditions in all areas.

PRODUCT	CODE
5L	SHIMMER-561 5L
2 x 5L	SHIMMER-561 5L2
4 x 5L	SHIMMER-561 5L4
15L	SHIMMER-56115L

Technical Data

Form: Viscous liquid
Colour: Blue
Fragrance: Scented (Wintergreen Oil)
