Eswood Professional Glasswasher

IW3N

Professional Undercounter Glasswasher

Eswood

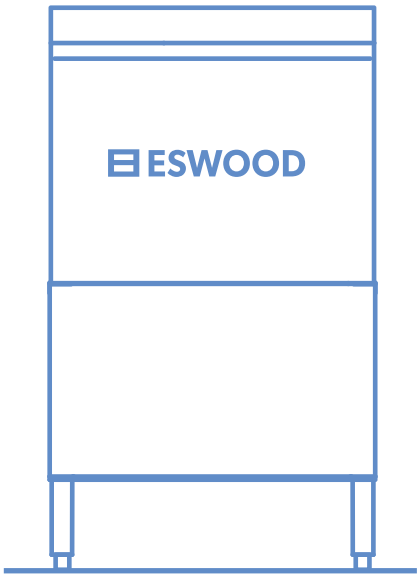

Professional Undercounter Glasswasher

Eswood IW3N incorporates a powerful wash pump and boost heater to maintain optimum wash quality and provide fast turnaround of up to 1800 glasses per hour.

Simple push-button controls activate the fully automatic operation with either a hot cycle or a hot cycle followed by a cooling cycle.

New digital temperature display for easy temperature recording in controlled environments.

The IW3N conforms to the highest of health and sanitary standards, meeting FSANZ safe food codes and certifications in HACCP and WaterMark.
