SPEED.Compact™ ECO

# Usability at its core

## Click & Cook

# A click is all it takes

Go-to cooking programs are just a click away. Streamline staff operations and enhance service speed.

SPEEDUNOX programs

# Ready-to-go programs

Take inspiration from our fine-tuned cooking programs. The settings are always on point.

## Manual-set programs

# Programs that fit to your business

Develop cooking programs based on your unique business offer. Add them to the Click & Cook page for easy access.

02 X Usability at its core

Unox smart technology

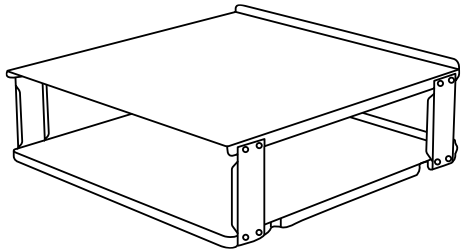

# Extra help for the staff

SMART.Preathing & ADAPTIVE.Cooking will ensure cooking results are always perfectly the same.

Perfectly crafted to handle it all.

# 8 croissants or 8 loaves in a single batch?

With the SPEED.Bake tray, turning your SPEED.Compact into a convection oven will be as easy and quick as pressing a button.

SPEED.Compact™ ECO

# Cleaning made easy

## Interactive Washing Procedure

# Step-by-step guidance

Staff can easily follow panel instructions to make the oven chamber shine again.

## Crumb and liquid collection drawer

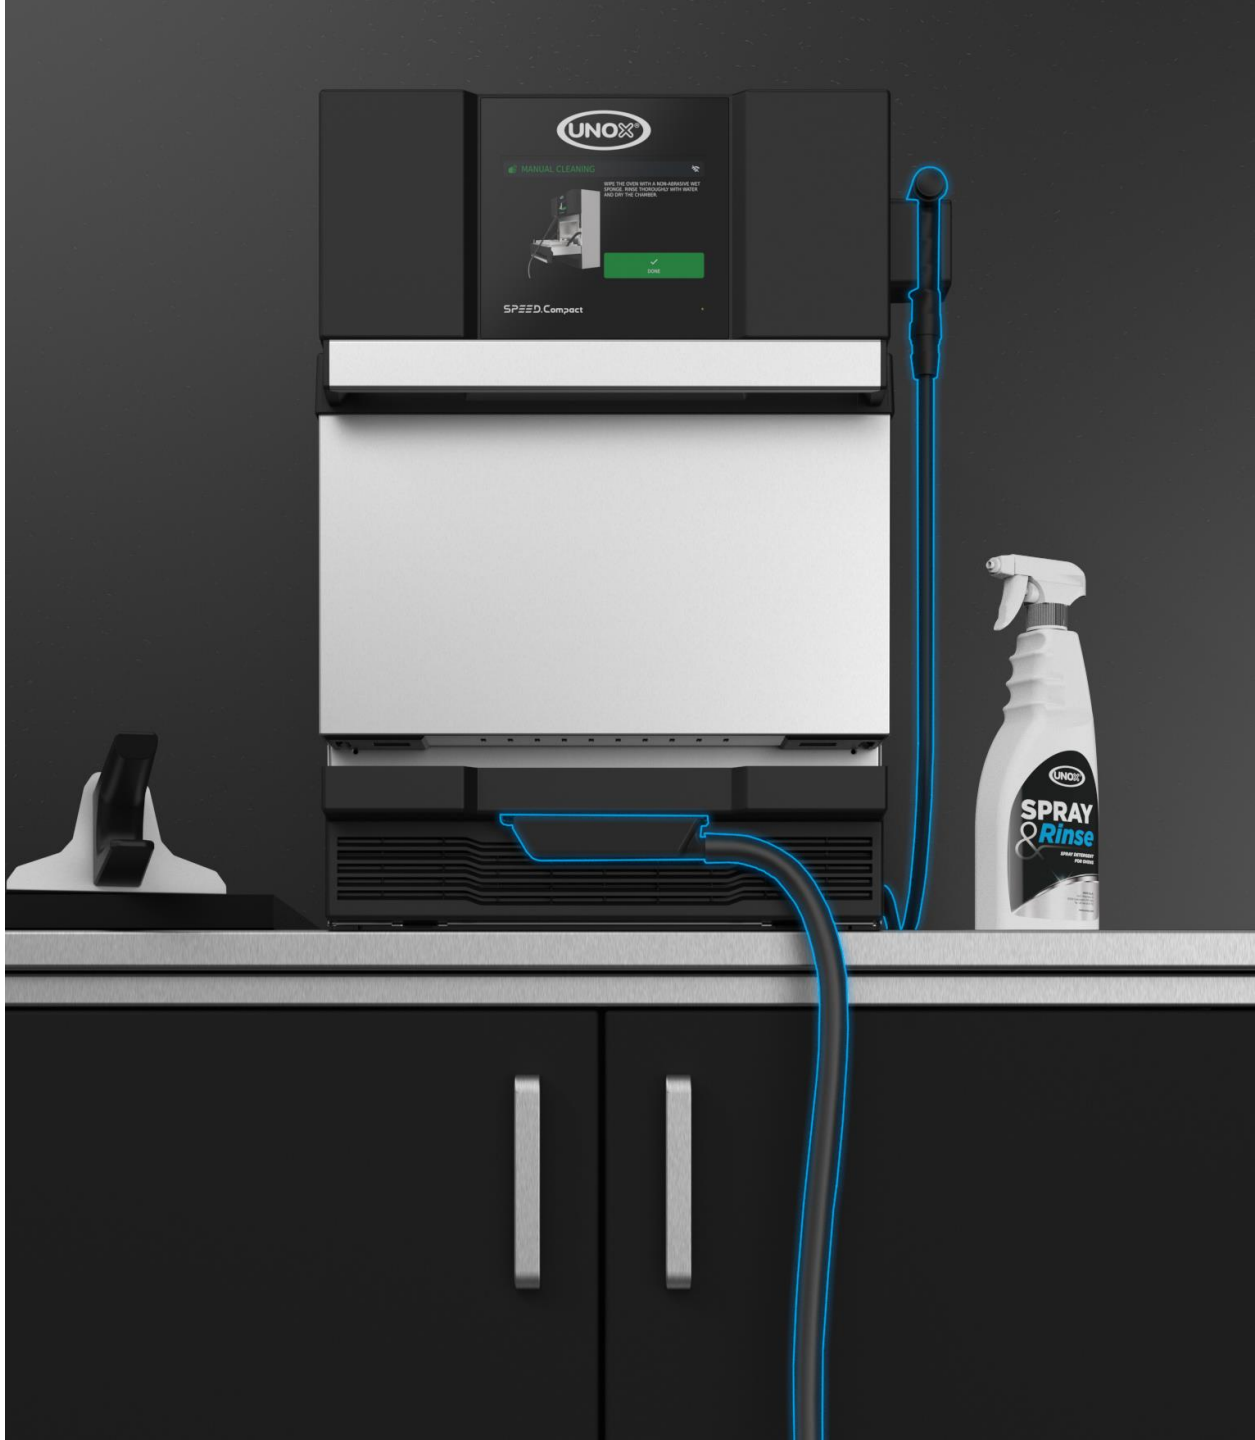

# Nothing is missing

Effortlessly manage food crumbs and washing liquids with a drawer that collects them for the staff.

## Easy liquid disposal

# No drain? No problem!

SPEED.Compact™ ECO comes with an additional accessory to easy manage ovens liquid disposal. Convenient and hassle-free, making life easier for operators.

Quick.Rinse

# A hard shower for a stress-free cleaning

Cleaning takes time. Thanks to the washing kit with no need for water connections, staff can clean the oven in a flash.

SPEED.Compact™ ECO

# Your customers' experience comes first

Your customers' experience comes first

02

The quietest and most smell-free oven

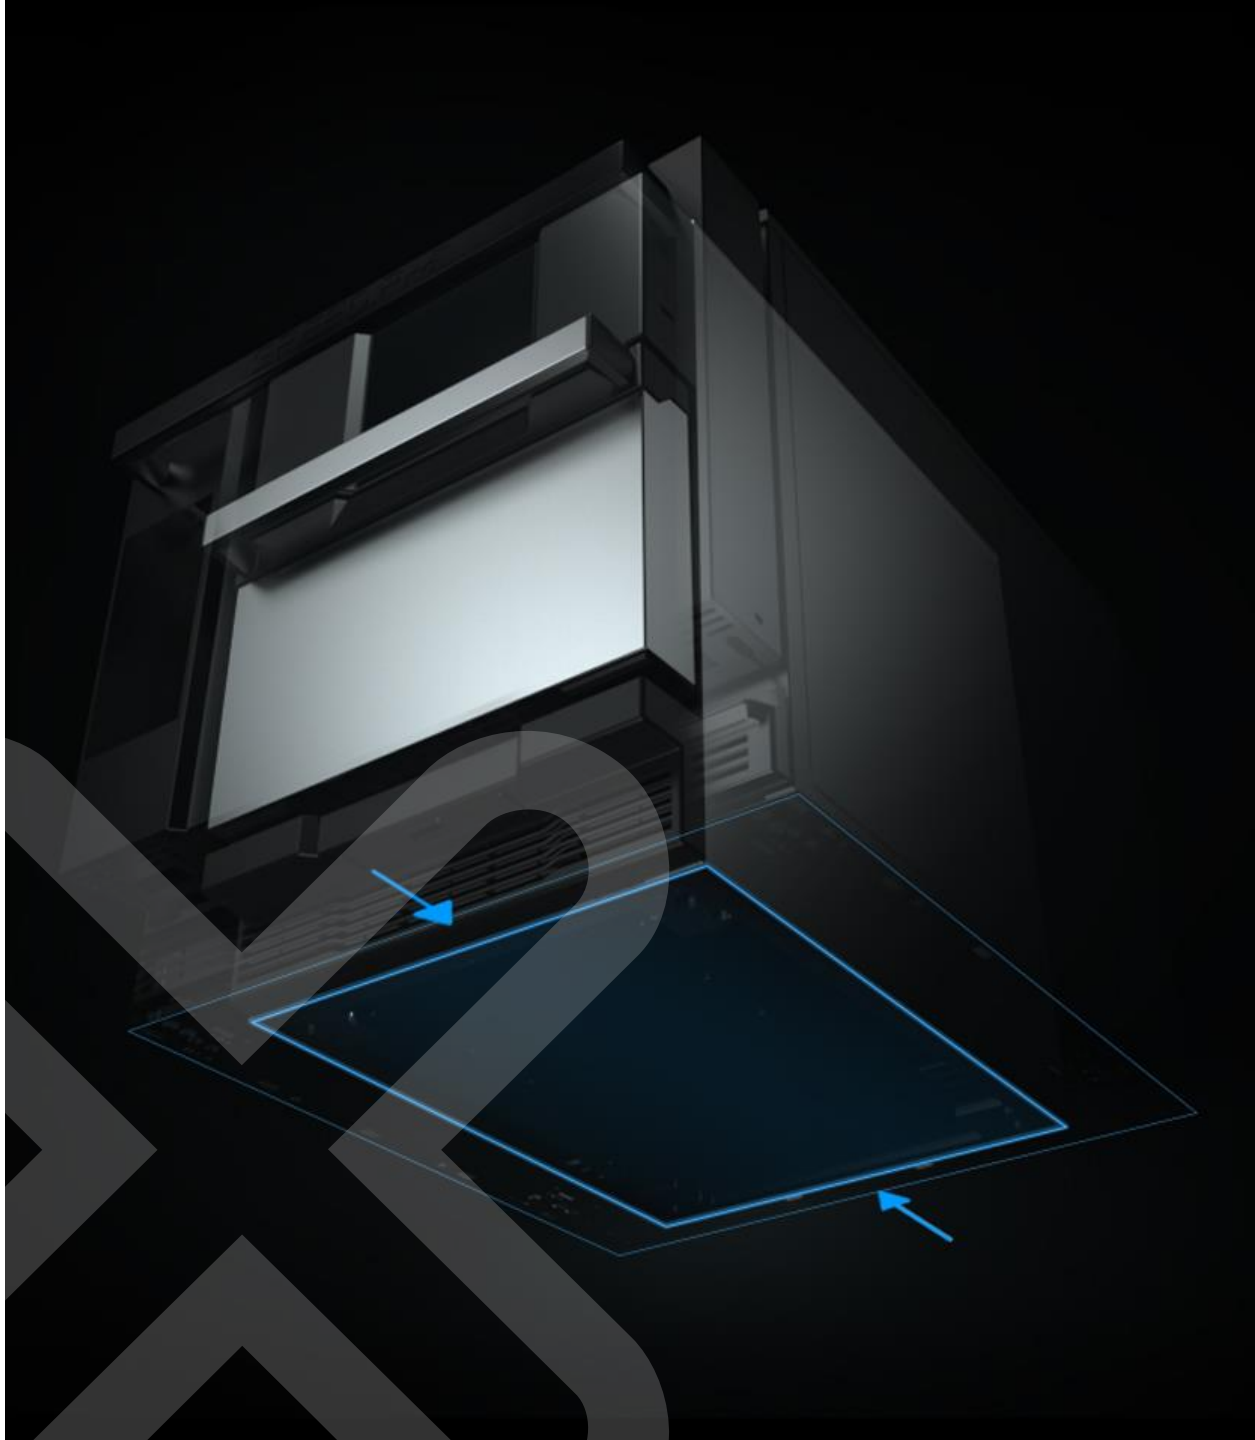

# Performance you can't smell nor hear

The double chamber-and-chimney catalysts filter out fumes without the need for hoods, ensuring a smell-free and healthier environment for both your staff and customers.  Plus, they make SPEED.Compact™ ECO the quietest speed oven on the market.

## 60 cm is all it takes

# It fits everywhere

With only 60 cm of depth, SPEED.Compact™ ECO adapts to any type of store. Its design allows for side-by-side placement, giving you the possibility to optimize your venue's counter space.

Your customers' experience comes first

02

27 cm, a space-saving door opening

# Compact design to allow swift operations

With its slim design, the SPEED.Compact features one of the smallest footprint on the market, maximizing space between the counter and cash register. This allows staff to work with utmost swift, safety and ease even when the oven door is open.

## Zero worries, just plug and play

# Ready to go. In a flash

The oven is ready to use right out of the box. No exhaust pipes, hoods, or installation manuals are required-staff can cook as soon as the oven is on the counter.

SPEED.Compact™ ECO

# A cost-effective and sustainable investment.

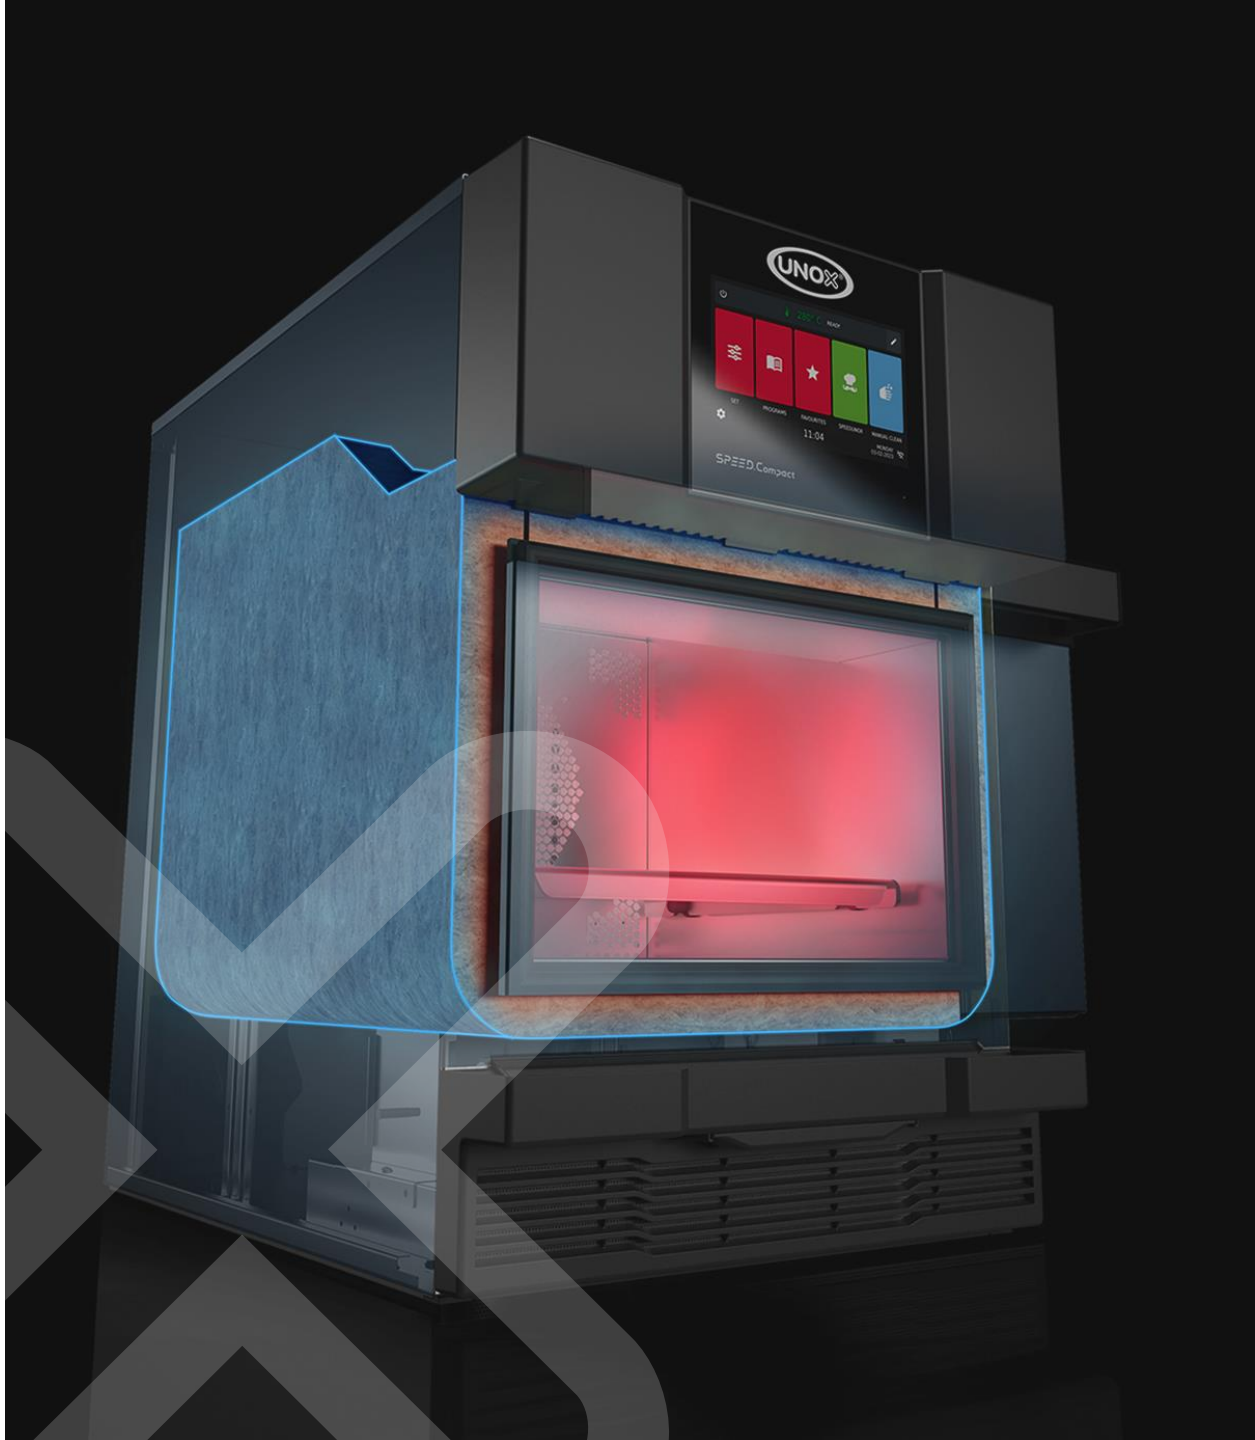

# A smart investment for lasting value

SPEED.Compact™ ECO offers exceptional value for money, ensuring top performance and savings while maximizing your return on investment (ROI).

# State-of-the-art insulation materials

Innovative mineral insulation makes this one of the most energy-efficient commercial speed ovens, with 10% better insulation than other brands. You'll see the difference in reduced energy bills.

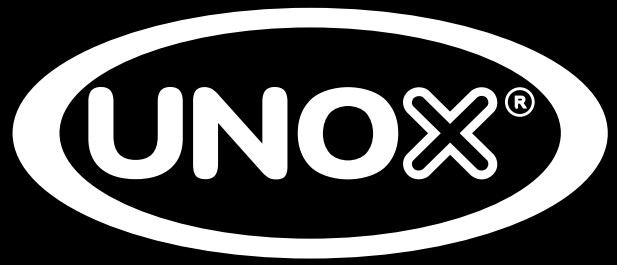

SMART.Energy

# Technology that saves money for you

With SMART.Energy the oven saves energy and money automatically.
